NO. 14

RESIDENTS ALONG HIGHWAY MAKE ROOM FOR WIDER ARTERIAL

THE FRANK DUARTE HOUSE FIRST TO "STEP BACK" FOR PROGRESS HERE

FIRST obvious signs of the widening of the Hayward-Niles-San Jose highway as announced several months ago, is seen in the moving of Frank Duarte's residence north of town, next door to the Judge J. A. Silva property. It is expected that all the houses in this section, near the entrance to highway engineer's office, the Alvarado road, will be moved to the rear of their lots in the near future.

One of the serious damages resulting from the widening of the highway will be the interference with the pumping plant for the Belvoir Hotel, the highway line running back considerably from the front fence of the orchard.

According to information received by The Register from the state highway engineer's office, the widening of the highway signifies that the state highway department considers Niles in the main line of traffic up and down the state. Being located on one of California's main arterials is no small advantage.

APRICOT GROWERS GET \$85 PER TON OR WILL DRY, THEY DECIDE

Meeting At Centerville On Last Thursday Attended By One Hundred

Endorsing the sentiments of the meeting of apricot growers held at San Jose Wednesday evening, local ranchers unanimously decided that they would stand pat for \$85 a ton for 14 to the pound cots, or dry.

About 100 prominent apricot growers of Washington Township and some from Eden township met at Anderson hall in Centerville last Thursday evening and after a discussion led by Charles Long, of Hayward, who presided, decided that it would pay them to dry rather than accept the \$75 a ton being offered by the canners.

One of the men present has 1,500 tons of cots this year.

The meeting at Centerville was one of a series held throughout this section and the Santa Clara valley Thursday evening following the meeting in San Jose on Wednesday.

The growers contend that the report that the canners have contracted for practically all of the fruit they will require this summer is a bluff to force the prices down. They point out that no fruit was carried over from the 1928 pack and this year's crop is far below normal due to the late cold wave which destroyed the fruit in several sections of the state.

The growers have no fear of forcing down the price of dried fruit even if the entire crop is dried. They point out that the peach, pear and prune crops are

NEW CHAIN STORE SEEKS LOCATION IN NILES

Skagg's Safeway Stores, one of the large chain grocery organizations in the west, is negotiating with L. J. Trinchero, proprietor of the Arrow Groceries on First street. Although the papers have not been signed, it is practically certain that the new firm will take charge of the business here.

That Niles is a growing town is obviously the opinion of business men up and down the coast, since this is the second chain store to seek location here.

Miss Reile Becomes Bride Of J. Belshaw

Miss Rose Reile, of Niles, became the bride of Joseph Belshaw, of Alvarado, on Monday, a reception being held after the ceremony in Moose hall, San Jose.

Miss Phyllis Reile was maid of honor and bridesmaids were Miss Rose Grannata and Miss Frances Olivera. Ushers were Pete Lazara and Pete Buzzato with Dominic Divito.

Mr. and Mrs. Belshaw will make their home in Oakland.

Otello Bellini, of Niles, is clerk in the Greenwood Pharmacy this summer.

far below normal in tonnage this year and that dried fruit of all kinds will find a ready market at high prices.

"The Patriotism of Peace"

NOW THAT children have suffered loss of eye-sight, loss of fingers and incurred other injuries enough to convince the Great American Public that a safe and sane Fourth after all is preferable to the good old days, when once a year every youngster in the land was equipped with various and sundry safety-defying equipment and let out to an orgy of hullabaloo and whoopee, the next great lesson is the

PATRIOTISM OF PEACE!

Here's to the Star Spangled Banner and long may she wave! But, as states the editor of McCall's, "Patriotism has its roots in simple things—in trees and earth and rivers, in homes and children, the schools we go to and the jobs we work at."

"We are too quick to associate patriotism with the mood of an heroic moment—watching an endless file of troops marching on, down to death and glory; seeing the flag go by, or cherishing the last dying note of 'taps' echoing on the horizon. We reserve our feelings for public occasions and let them burst in swelling triumph at an Inaugural, Armistice Day or Fourth of July."

"Patriotism is the spirit which moves men to go calmly and quietly about the task of conserving our waning forests, our minerals, our water power; harnessing the destructive power of floods; cleansing our rivers; embracing our new citizens; improving the cities in which we live and the industries in which we labor; bringing education and enlightenment to young and old, to rich and poor."

"These are the campaigns of peace, waged quietly, often unheroically. Victory holds no fruits of undying fame nor everlasting glory for the leaders—no fame but the happiness of our fellows, no glory but the glory of progress."

"It should be understood that an Inaugural, Armistice Day or the Fourth of July bear testimony to intensely brief and triumphantly desolate interludes in our country's history."

"The patriotism of peace plays no part in them. It cannot be compassed in a firecracker nor portrayed in a flight of oratory. It cannot be limited to a day, nor yet a year. It is a matter of the spirit, expressed in action throughout our lives."

REV. SEEBART GOES FROM NILES TO MONTANA

Rev. A. W. Seebart, pastor of the Niles Congregational church, has resigned from the local organization to accept a call from the Community church at Columbus, Montana, where he will take charge September 1.

Mr. Seebart has been student-pastor at the Niles church during the period of his studies at the Pacific School of Religion at Berkeley, where he graduated this spring, taking his M. A. degree. In a letter to the trustees, Mr. Seebart states:

"You will recall that I became your pastor on a part-time basis. I have given the church of my time and energy as fully as my seminary courses of study would permit. There has been much that has gone undone because of these factors. However, with the help of able and self-sacrificing co-workers, we have been able to make many real gains, some of which may justly be regarded as genuine achievements. The church is in a much better and stronger position now than it was three years ago. There is no reason why, even with average leadership, it should not go on ministering to the protestant community with its program of worship, leadership, religious education and social service. It is my hope and prayer that it may."

Mr. Seebart asks that his resignation be accepted at a meeting to be called by the clerk of the church and that it become effective.

Rattlesnake!

A RATTLESNAKE was found on the Belvoir Hotel property this week. It was only a baby out for a crawl and unlike a popular kind of car, had only one rattle. The Belvoir residents would like to know where the "papa and mamma" are. If they aren't located, they may be telling some more "bed-time stories" as they did Eve one time.

NATIVE SONS NAME NEW OFFICERS WEDNESDAY

Township Parlor to Stage Meeting On Ninth Of July

Installation of new officers for Washington Parlor, No. 169, Native Sons of the Golden West, will occur July 9, with Walter J. Hayes, district deputy grand president of Parlor No. 210, Berkeley, in charge.

Officers to be installed are:

Junior past president, George Wales.

President, Walter Norris.

First vice-president, F. T. Dusterberry.

Second vice-president, W. F. Logan.

Third vice-president, M. D. Silva.

Marshal, G. I. Norris.

Treasurer, J. D. Norris.

Inside sentinel, George Stoner.

Outside sentinel, C. P. Cockeair.

The Register for better printing.

FOUR INJURED AT WESTERN PACIFIC CROSSING

George Credey, of Hayward, and three children, 8, 6 and 5 years, were seriously injured when their coupe crashed into a freight train at the Western Pacific crossing south of Niles about 12:50 this morning. Dr. John Adams was summoned and he had them rushed to the County hospital where all four are in a serious condition.

The oldest child stated they were going from Hayward to Campbell for the Fourth, but the Western Pacific tower man said the car was coming from the San Jose side of the track. The signals were working and the headlights on the car were bright but for some reason the driver crashed into the train. The car was witness to the tragedy, its wreckage still being beside the track this morning.

The automobile was registered to J. Alviso, Box 86, Byron.

TRUSTEES MEET WITH REGARD TO TRANSPORTATION

Members of the board of trustees of the Washington Union High school met at the school Tuesday afternoon to confer with bus men with regard to providing more transportation for next term when an enrollment of 500 is expected. At least one new bus will be provided.

ON VACATION

Mrs. J. M. Williamson, news editor of The Register, is taking a month's vacation during July.

JOE LEWIS DIES FROM SKULL FRACTURE IN FIFTEEN-FOOT FALL

HIRSTS EXPECTED HOME FROM TOUR

Journeys Have Included Egypt, Ceylon, Europe And England

Mrs. A. B. Hirsch, of Irvington, and her daughter and husband, Mr. and Mrs. C. H. Hirst, who have just returned from an extensive journey which touched Egypt, India, England and the Continent, are expected home about July 10, spending these last few weeks visiting points of interest and friends in the United States.

Just a small packet of picture-postals is here on our desk but its messages have come from around the world and the strange stamps and postmarks bring a breath of desert air from about the age-old Sphinx, a faint odor of perfume from Cairo, a picture of a pretty Arab girl, a glimpse into the laundry-lined backstreets of Italian cities, something of the "grandeur that was Rome," a little of the breath-taking beauties of Switzerland, bits of exquisite beauty from the Florentine shops, and of course, Paris, London and no less beautiful or interesting, some of Uncle Sam's own playgrounds—Niagara Falls, Washington, Philadelphia, Denver and HOME.

To the stay-at-home who must travel in fancy and look only through the windows of his mind, a half-hour of genuine delight may be gained by examining this magic packet; how much more will friends enjoy all the strange tales the travelers bring back with them.

The first pictures come from Manila, dated April 9. The next bring views of "rickshaws" in Colombo City, then the Rock Temple at Dambulla, Ceylon; then Africa and Egypt, Cairo and the Sphinx and the camels in the desert, King Tut's tomb, the Sahara and Port Said, then Italy—Rome, Florence, the Roman ruins and along the famous Apian Way, the Catacombs, the Colosseum, the Vatican; then Switzerland, Lausanne and the lakes, chateaus and snow-capped mountains, gay Paris, Notre Dame and the Eiffel Tower; the Tower of London and then—"An Bord der Hamburg" and New York, way points and California!

Niles Man Loses Footing and Slips From Hay- Stack to Death

Joe Lewis, 35, of Niles, was fatally injured late Monday afternoon when he fell from a stack of baled hay on the Patterson ranch near Newark. According to his companions, Lewis stepped back to dodge a bale of hay that was being hoisted to the top of the stack and lost his footing. He fell only fifteen feet but suffered a fractured skull which caused his death.

He was taken to Doctor Holman at Centerville and then brought home, where he died at 11 o'clock Monday night.

He is survived by his widow and three children, aged 8, 4 and 20 months; also a sister, Mrs. Joe Nunes, of Los Gatos.

Funeral services will be held Friday morning at 9:30 o'clock at the Corpus Christi church in Niles, with interment at the Holy Sepulchre cemetery at Hayward.

This is the second tragedy which has come to the Lewis family within the last few months. The little boy, Alwin, recently turned over a creslin lamp, seriously burning his eyes and spent several months in the Baby Hospital. The child is improving but has not recovered from the injuries. The community is extending its sympathy to the bereaved ones.

MISS NYLA LeGUE BECOMES BRIDE OF MR. CONNOLLY

Miss Nyla LeGue, of Irvington, became the bride of Walter Connolly, of Walnut Creek, Sunday afternoon at a ceremony performed at the Centerville Catholic church. A large assembly of friends gathered to witness the nuptial event.

After a honeymoon motor trip through Northern California, Oregon, Washington and Canada, they will return to Danville where they will make their home.

The bride is a graduate of the University of California and has scores of friends in this part of the state. A number of very beautifully-appointed pre-nuptial parties were given in her honor.

The groom is a salesman for the Standard Oil Company.

Register printing the best.

Niles Honored With Notable Legion, Auxiliary Visitors

Niles was unexpectedly honored Tuesday evening when the County Council meeting of the American Legion was visited by notable eastern visitors and high officials of the Legion and Auxiliary who had come to San Francisco to attend the social workers' conference in session there.

Some of the visitors were: Judge George W. Hickman, of Albany, chairman of the committee of attorneys appointed at the last council meeting in Chico to investigate the obligation of local posts' paying part of the up-keep of memorial buildings.

Fred B. Mellman, of Oakland, county council commander.

T. P. Woods, auditor of the Veterans' Hospital at Livermore. (Resolutions were adopted regretting his transfer from that institution which is to take place soon.)

Ed Hay, of Alameda, county council adjutant.

Mrs. Katherine Smith, of Lovelock, Nevada, Auxiliary chairman of the Child Welfare department, area E.

Paul Hubby, chairman for the area E Legion.

Mrs. Margaret Peyton Thompson, of Pueblo, Colorado, national chairman of the 8 and 40 Auxiliary, Child Welfare.

Mrs. J. P. Barrett, Ponca City, Oklahoma, national child welfare chairman.

Emma C. Puschner, of Indianapolis, director of the national child welfare department of the Auxiliary.

Herman Chadt, Minneapolis, national chairman of child welfare for the Legion.

Henry G. Waters, Watsonville, California chairman welfare.

Allyce J. Gill, San Francisco, California president Auxiliary.

Lou Pabst, Wyoming department commander.

Edna M. Pierson, president Alameda Council Auxiliary.

Ethel M. Flynn, secretary and treasurer welfare department.

Elizabeth I. Drendell, Hayward, chairman welfare department.

Bessie M. Nichols, Sixth District hospital chairman.

Ruth H. Mathebat, executive committee, Sixth District.

Children Of All Faiths Find Instruction At Vacation School

No Charge For Classes Which Will Continue Till July 12

Between forty and fifty children appeared at the Daily Vacation Church School at its opening Monday morning at the Niles Congregational church.

Rev. A. W. Seebart, pastor, has general charge with Miss Lucille Breiner, Mrs. Seebart, Mrs. J. E. Kimber, Mrs. Alma Inman Parker and Miss Dorothy Smith as teachers.

Miss Martha Sanford is arranging for transportation and Mrs. A. F. Johnson is supervisor of the play-hour.

Hand-work, Bible study, character study, patriotic exercises, woodwork, toy-making and sewing are among the subjects featured.

A light lunch is furnished the beginners' class, which has seven boys and seven girls of the pre-school age enrolled.

Both Protestant and Catholic children are invited. The school is free of charge. If the articles made are brought home, the children are charged a small fee for the materials. The school will continue until a week from Friday. There will be no school on the Fourth of July or on Saturday but children are expected in classes on Friday.

This is the second school of its kind to be held in Niles, one having proved a great success last year. Mr. Seebart assisted with the Decoto school which has just closed.

Niles takes its place with many of the large cities of the country in this move. Vacation Church Schools are thought by educators and church workers to be extremely valuable not only in teaching Bible Study, morals, character building and patriotism, but gives the children wholesome and constructive entertainment for at least a part of the vacation period.

WARM SPRINGS

By MRS. L. D. CRANMER
(Too late for last week.)

Margaret Breitwieser gave a dinner last week for Mr. and Mrs. Richmond, of Seattle, and Charles and Bert Cook, of Irvington. Mr. and Mrs. Richmond were visiting their brothers, the Cook boys, and left Monday for their home.

Mrs. Anders, of San Francisco, was a visitor at the Breitwieser home last week.

Mr. and Mrs. Owens and daughter, of Fresno, are visiting Mr. and Mrs. John Silva.

Mr. and Mrs. Manuel Terry and family visited with friends in Oakland Sunday.

Mrs. Henry Allard, who has been very ill, is able to be out again.

Funeral services were held last week for James A. Leitch, age 51 years, of Warm Springs. The deceased is survived by his wife, Georgia Leitch, and a son, James Orville Leitch; also a step-sister, Mrs. Allan Curtner, and a step-brother, Walter Hewitt. He was a native of Warm Springs. Interment was at Oak Hill cemetery.

MISSION SAN JOSE

By FLORENCE AUST

Sergeant and Mrs. Chas. Bast and children, of Texas, will visit with Paul Aust family for a month.

Mrs. Gaffegan and children, of San Francisco, are spending the week-end with the Edward Withery family.

Miss Florence Aust, Paul Aust and Miss Annie Rogers spent the week-end in San Francisco visiting friends.

Miss Madelyn Azeveda is spending her vacation at Clear Lake. She will be away for two weeks.

Corona—\$10,500 contract awarded for first units of State game-bird farm on Los Serranos Country Club property northwest of this place.

STORES CLOSED

Stores, bank and library will be closed on Thursday, the Fourth. The Mutual will be open until noon.

Perich Arrested on "Cutting In" Charge

For failure to report to court on a charge of "cutting in," Peter Perich, of Mountain View, is to be served a warrant for arrest. His bail has been set at \$25 by Judge Allen G. Norris.

Ernest G. Lundeen, of the Reed Roller and Supply Co., Inc., was a recent business visitor in Niles.

Air Cooler and Purifier Is Being Installed In Theater

Another improvement for the Niles Theater! Step by step, Charles Peterson, manager, is making the Niles show house one of the most modern, comfortable and efficient theater establishments in the county.

This latest innovation is an "Arctic-New-Air" installation, now being put in. A seven and a half horsepower motor is necessary to run the machine, thereby calling for special transformers and other electrical equipment furnished by the Pacific Gas and Electric company.

The "Arctic-New-Air" manufactures fog out of a mixture of water and purifying chemicals, antiseptic and deodorizing but having no odor of their own. Canvas connections between machine and walls will deaden all sound in order that this newest addition to the equipment of the theater may in no way interfere with perfect audition.

Every bit of air entering the theater when this new machine is installed behind the stage will be washed in a fog vapor and the entire air contents of the building is changed every ten seconds.

This new machine will not only purify the air but will cool it considerably, thus making the building much more comfortable than the ordinary dwelling during the summer months.

Bob Tysons Going To Siskiyou Camp

Mr. and Mrs. Bob Tyson, of Niles, with Mr. and Mrs. Jacobus and Mr. and Mrs. Bullock, of Oakland, will leave the sixth for two weeks' camping in Siskiyou country.

LOCAL NEWS

James Geib spent last week at Yosemite.

Edna Destrella is recuperating this week at her home from a recent tonsil operation performed at the O'Connor's hospital, San Jose.

Thomas Elliot and family are spending two weeks at Pine Crest, Tuolumne County.

Lee H. Newbert, manager of the East Bay Division of the Pacific Gas and Electric company, was a recent business visitor in Niles.

Plans for the Vacation Church School were made at a meeting of the Sunday School teachers with Miss Lucille Breiner at the Niles Congregational church last Thursday afternoon.

IN APPRECIATION

We wish to thank all those who were so kind and considerate during the illness and loss of our beloved husband, father, son and brother, Benjamin Farrington.

Mrs. Isabella Farrington and children.
Mr. and Mrs. E. J. Farrington, daughters and families.

NOTICE TO CREDITORS

Having sold our business, known as the All-Night Service Station, at Warm Springs, on June 13, we will not be responsible for future bills contracted by present owner.

E. RODERIGUES IS FINED \$100 ON BATTERY CHARGE

After a jury trial which lasted nearly all Tuesday afternoon before Judge J. A. Silva, of Niles, and attracted a capacity crowd of Spectators, George Roderiques, of Decoto, was declared "not guilty" and his son, Elmo, was fined \$100 on a charge of battery.

It was reported that the fight started when somebody suggested a fistic battle to decide the champion prize-fighter of Decoto. The contest progressed to a real fight and Elmo had to pay \$100 for his part of the fun.

Brakes that aren't adjusted and equalized, rattle, chatter and squeak. The tread of one or more of your tires is soon worn down; the frame of the car is distorted with strain; the wheels lose their perfect alignment. Brakes should be adjusted every thirty days.

National Guard Men Visit Niles Tuesday

Tuesday afternoon Niles was enlivened by the presence of 184 National Guard men who were changing trains here. They were traveling from Sacramento to San Luis Obispo where their summer camp is located.

Mrs. F. M. Hudson left Friday for a week's vacation with her daughters and families in Yosemite.

Get Over to the Ocean For a Cool Outing

Motor through Mt. Eden to the new 7-mile Bridge that spans San Francisco Bay

AN IDEAL holiday or Saturday or Sunday trip is suggested as follows: Cross the bridge to San Mateo and take the Crystal Springs road to Skyline boulevard; drive to Halfmoon bay for a picnic on the beach and surf bathing; motor down the Coast to San Gregorio, and take the La Honda road through beautiful redwood groves, back to the Skyline boulevard and return to San Mateo and the bridge.

All in one day you can experience the thrill of motoring at top speed over seven miles of water; basking on smooth, sandy beaches in cool ocean breezes; resting in the shade of giant redwood trees; and viewing enchanting scenery. And all of this without encountering traffic congestion or delays.

What more could you wish?

San Francisco Bay Toll-Bridge Co.

A. W. Deuel, Vice-President and General Manager, San Mateo

ORVILLE BLOSE, Editor

VACATION CHURCH SCHOOL EXHIBITS HANDWORK TODAY

The third annual Decoto Vacation Church School exhibit was held at the Community church this afternoon. Handwork, craftwork, sewing, carpentry and notebooks, featuring good will, were on exhibit to a host of visitors. The Sunday School also had its exhibit in conjunction with this one, which consisted of posters, notebooks and handwork.

At 2:00 o'clock the program started with the processional, flag salutes, and song to the Christian flag, followed by the peace and goodwill worship service, songs, memory work, stories and the prayer were then given by each department. Accordion solos were rendered by Manuel Gutierrez. A play, "Goodwill, the Magician," was given by the primary class. Each nation of the world was represented.

Tea was then served to the mothers.

Mrs. L. G. Haas entertained Mr. and Mrs. James Joseph, of San Jose, and Miss Margaret Allen, of Modesto, at her home this week.

Felix Pinza and mother, and Katherkn Pinza Motored to Truckee recently.

Miss Mary Beveridge has returned from a two weeks' vacation in Marin county.

Mr. and Mrs. Frank Thomas left today for a week's trip to Santa Barbara, Monterey and Los Angeles.

Chamber Commerce Re-elects Officers

At the meeting of the Decoto Chamber of Commerce, Tuesday evening, all of the old officers were re-elected:

President, Peter Decoto, Vice-president, Walter Walker. Secretary, Roland Bendel. Treasurer, John L. Olson.

The secretary was ordered to send a communication to the Western Pacific Company in regard to their crossing on H and I street. The next regular meeting of the chamber is called for July 16.

Rev. Moore, of Palo Alto, again delivered an inspiring message at the Community church, Sunday evening. He compared a river to a human life, as his theme. Mr. Edkins and Mr. Bruebaker, of Mayfield, were pulpit guests.

Jim and Walter Beveridge are at Diamond Camp in Oakland.

Mrs. Clarence Silva is very ill at her home this week.

100 SCOUTS FROM DISTRICT AT CAMP

Approximately 100 boys from Southern Alameda county are attending the Diamond Canyon Boy Scout camp in Oakland at present. This includes about 25 from Hayward and several from San Leandro, San Lorenzo and other communities. Township boys enrolled, according to Henry L. Hopkins, field executive, are:

Niles—Jackson Townsend. Irvington—Eades Carroll, Elmo Grimmer, Allen Hirsch and Wallace Pond.

Newark—Manuel Gonsalves, Donald Fuller, Karl Nordvik and Irving Steinhoff.

Also from Livermore, Roy Nelson.

Arnold Abrott returned last week after visiting his grandfather at Pleasanton.

Try The Register print shop.

NEW DOCTOR COMES TO NILES FROM SCOTIA

Dr. and Mrs. E. C. Grau, of Scotia, arrived in Niles Tuesday and are occupying the cottage at the former Law Emergency hospital, Dr. Grau having purchased the practice in connection with this establishment.

Dr. Grau has been at the Scotia Hospital, operated by the Pacific Lumber company, for the past two years. While his contacts there were in all respects satisfactory and his private practice encouraging, the location was too isolated for him and Mrs. Grau and they looked about for a more progressive and populous location. Several prospects about the bay district were open, but Niles was chosen because of its opportunity for industrial practice and the fact that its climate and location, added to its certainty of growth and expansion, made it a desirable situation for a home.

Dr. Grau is a native of Nebraska and a graduate of the University of Nebraska. Before going to Scotia he had two years' practice with the San Francisco City Emergency Service and is specializing in surgery. He finds the local hospital well equipped but will add several new instruments and pieces of office equipment.

He is a member of the Masonic, the Eagles and the Redmen Lodges; also the Congregational church.

Mrs. Grau is a native of California, a member of the Eastern Star and both she and her husband are tennis enthusiasts.

The Register takes this opportunity to welcome another progressive couple to town and extends all good wishes for success and happiness in Niles.

Southern California Edison Company started operation of 40,000 horse power generating unit in power plant No. 8, which completed major development of Big Creek-San Joaquin river hydro-electric construction project.

COACH REGLI WEDS
MISS SNYDER OF
HEALDSBURG

Jess W. Regli, Washington High's popular coach, was married last week in San Francisco to Miss Kathleen Snyder, of Healdsburg. The teachers and students are expressing congratulations to this popular teacher and his bride. They will make their home in the house now occupied by the D. F. Gatchel family.

The Rev. C. J. Hulsewe, rector of St. Francis Episcopal church, San Francisco, and Mrs. Hulsewe were visitors with the Rev. and Mrs. W. J. Attwood last week.

Funeral Services For
Mrs. Anna Abreu

Mrs. Anna S. Abreu, 93, was buried in the Holy Sepulchre cemetery Tuesday morning. She leaves many relatives living here. Mrs. Joe Thomas, Mrs. Frances Silveira, Joaquin Abreu were her children. The deceased has lived with Mrs. Silveira for many years.

Mrs. J. A. Hiatt, of Tacoma, Washington, is a house guest of the Rev. and Mrs. W. J. Attwood for a few days this week.

There is a good deal of discussion as to who shall pave the streets. There seems to be a general opinion that it is the county's business to do it.

Herman Mau and family left Wednesday for a week's vacation in the Sierra Nevada mountains.

JUDGE NORRIS
HEARS CASE OF
ALLEGED PICKETS

Judge Allen G. Norris sat for Judge Howard L. Bacon in the Oakland court last Thursday and Friday. He heard the case of the nine men charged with violation of the anti-picketing act in connection with the recent strike at the Fisher Body Works. The jury found them not guilty after fifteen minutes' deliberation.

Centerville Nash
Company Sells Five

Centerville Nash Company made five deliveries of new Nash 400's during June. The new owners are:

Manuel J. Vargas, of Decoto, coach; Antone F. Vargas, of Mission San Jose, a royal sedan; Isaac Pacheco, of Centerville, a special coupe, and John Enos, Jr., of Decoto, a special coupe.

Welfare Ship Ends
Successful Season

The Welfare Ship returned from its first voyage. The captain proved a wonder and a splendid crew assisted her.

Five dresses and five bloomers were made for girls of 8 or 9 years old.

The balance of the money pledged was paid up to January, 1930, and a good supply to start the next trip with.

Mrs. Sousa, of Parks' store, is taking her vacation. Mrs. Parks is helping in her place.

Miss Bernice de Leon, of Oakland, visited the Harold de eLon family this week.

The "Sweet 16," which met with the Misses Norris last week was the last of the season. Mrs. Fritz Gould won the first prize; Mrs. A. Hanson, slams; and Mrs. H. Dusterberry consolation.

Mr. and Mrs. Agosti are spending a few weeks with Mr. and Mrs. Howard Chadbourne.

The wells are going very low. Some that have never felt the drought before are showing it now. Some will have to be deepened.

Modern drive-in market opened west of Van Nuys.

H. S. FACULTY TAKE
VARIED VACATIONSTeachers Spend Vacation
At School Or
At Play

Since the high school doors are closed and the text books are stored away on the library shelves, the faculty are enjoying their vacations at various places.

V. E. Solvason, of Niles, is touring the Pacific Coast states and Canada.

Mrs. Grace C. Jackson, of Centerville, is visiting in Oregon.

E. B. Hodges and family spent the week in San Diego.

Miss Lucile Newbert will sail next Monday for the Hawaiian Islands.

J. Vernon Gould and Barton Webb are studying at the Stanford University.

Miss Lesda Sayles, of Newark, is vacationing in Arizona.

Mrs. Josephine Morris and Coach Regli are taking the summer courses offered at the San Jose State Teachers College.

Miss Lorena Wright is enjoying her vacation in Pasadena.

D. F. Gatchel enrolled Monday at the University of Southern California.

Miss MacMillan is at her home in San Luis Obispo.

SIX NEW TEACHERS ON
HIGH SCHOOL
FACULTY

Six new teachers have been elected by the board of trustees to teach here next year at the high school. Principal Hodges has assigned to them the subjects which they will teach as follows:

Edward W. Gravestock succeeds D. F. Gatchel as the social science instructor.

Miss Aubrey Nicely succeeds Miss Laura Taylor as English and dramatics teacher.

Joseph Hill will teach mathematics in place of Mr. Larson.

Robert Moore will teach English and journalism.

Miss Grace Knowles replaces Miss Gertrude Douglas as English and history teacher.

Miss Ada Roberts will teach a variety of subjects—history, cooking and English.

This year there will be twenty-two on the faculty besides the principal and the office secretary. The school is expecting an enrollment of nearly 500 in August when the vacation closes.

Personal Items

Dr. and Mrs. DuBois Eaton were to have left this week for a month's trip to Alaska, but were delayed by the sudden illness of Dr. Eaton. They are at the La Jolla Sanitarium.

William R. Joliff and family are making a tour of Canada. They will visit relatives there.

Mr. and Mrs. Floyd Parks will attend a picnic in the Santa Cruz mountains on the Fourth.

A committee composed of M. Almada, M. S. Simas, Dr. Holman and George Mathieson are busy this week getting property owners on School street to sign a petition which will put a cement sidewalk on one side of the street, and possibly on both sides.

Lilly Bauhoffer spent last week visiting relatives in Oakland.

The local S. P. R. S. I. lodge enjoyed a cottage whist party at the Parish Hall, Tuesday afternoon.

Rev. James McElhinney has announced that his sermon for Sunday morning at the Presbyterian church will be: "Consideration of the Wisdom of an Ant."

Mrs. A. T. Borst and Mrs. D. Jenkins, of Huntington Park, are visiting relatives for a couple of weeks.

GATCHELS WILL
BE MISSED BY
THE COMMUNITY

The entire township will miss the D. F. Gatchels who are leaving Centerville. Mr. Gatchel, who for five years has been one of the most popular and efficient teachers at Washington Union High school in the history department, leaves a place hard to fill. He has been active in the American Legion, the Masonic Lodge and the Centerville Men's Club.

This summer he will attend the summer session of the University of Southern California and next fall will assume his position at the Sequoia High school at Redwood City.

Mrs. Gatchel is also one of those persons able to do more than one thing at a time. In addition to mothering the small members of her family she has found time to take an active part in the Country Club of Washington Township and other club and church work. Her vocal music has been of much pleasure and comfort to many residents of the various communities in the township and she will be no less missed than will her husband.

Mrs. Norris Entertains In
Honor of Her Birthday

Mrs. G. I. Norris entertained relatives at her home on Sunday in honor of her birthday and the first wedding anniversary of Mr. and Mrs. Morgan Davies, of Oakland. There were twenty who attended this family reunion. The guests were:

Mr. and Mrs. Morgan Davies, James Pixley and family, Mr. and Mrs. A. S. Robertson, of San Francisco; Mrs. Julia Straven, of Berkeley; Mr. and Mrs. Randolph Griffin, of Irvington, and the Misses Mila, Harriet, Miranda, Emma and Mary Norris, of Centerville.

There is a general exodus of everyone for their vacations. If they haven't gone, they are planning to go. Still, as long as this extreme heat continues, home is a good place to stay.

SERVICE CLUB IN
SEASON'S LAST
MEETING

Discussion of the paving question occupied the attention of the members of the Centerville Service Club at their meeting last Thursday noon, this being the last session until fall.

Assemblyman Jost was to have been present but was unavoidably prevented from doing so.

It was reported that 2,480 feet out of the 5,000 feet of frontage on the main street had been signed up for paving. The matter will be presented to the Board of Supervisors again a week from Thursday.

President Frank Dusterberry had charge of the meeting.

Electric stop-lights on cars so equipped should be checked for condition often.

The car should be run a while after water is added to the storage battery in order to start chemical action in the direction of charging. If the battery stands after water is added it will be weaker than it would have been if no water had been added.

Regardless of the type, kind or make of brake used on a car, it is well to oil all operating parts regularly, even if it is just a matter of putting a few drops of oil on the threads of the adjustment nuts or on the anchor pins. This will greatly simplify the work of adjusting the brakes or of removing the bands for relining.

As the wheels of a motor car are under strain at sharp turning of corners and similar driving emergencies, it is well to have checked over periodically the condition of the wheels and be sure the loose flange nuts are tightened.

Willows new airport recently dedicated.

NASH '400'

Leads the World in Motor Car Value

This is the Sedan you will buy, if you
Compare in the \$900 Field

WE will not need to urge you to buy the Nash '400' Standard Six Sedan if you only compare it to other Sedans in the \$900 field.

First of all, it is a Nash, built in the traditional Nash manner, with precision workmanship in every part.

And second, it is a Nash '400', and that means something in today's line-up of motor cars.

It means more powerful, more durable, more enjoyable motor performance. The engine in this sedan is a new high compression type with 7 bearings instead of 3 or 4, with aluminum alloy (Invar strut) pistons instead of cast iron pistons, and with full pressure lubrication to every single bearing point. Even the connecting rods in this Nash engine are rifle drilled, to

supply oil under pressure up to the wrist pin bearings.

Other '400' features which this car brings to you are the world's easiest steering—a luxury and refinement of interior decoration far beyond expectation at its price—size and capacity for five full grown passengers—riding ease attained by alloy steel springs individually designed for its size and weight, plus outboard mounted, Lovejoy hydraulic shock absorbers.

And finally, no extra charge for bumpers, front and rear, Lovejoy hydraulic shock absorbers, spare tire lock and tire cover. There's nothing except a spare tire to buy—none of these other items, customarily charged for as 'extras' at retail prices, to pay for, when you buy the Nash '400'!

Price Range (f. o. b. factory) of 23 Nash '400' Models, \$885 to \$2190 including Touring, Roadster, Coupe, Cabriolet, Victoria and Sedan Models

Rains Predicted For Early Part of July By Father Ricard

That California will experience showers and a return of June's hot weather is the forecast given by Father Jerome Ricard in his monthly bulletin from his observatory at the Santa Clara University.

The forecast for Central California: "Will most likely see some showers around the 10th of the month, and a return of the intense heat wave of June about the 21st of the month."

Daily Weather for July
 July 1, 2—The opening of the month of July will see a continuation of the fine weather predicted for the closing days of the month of June just past.

July 3, 4, 5—Mark the entrance of a low in the northwest that may cause cloudiness down as far as central California.

July 6—This date should bring in with it a very severe storm in the northwest. California will as yet be undisturbed.

July 7, 8, 9, 10—The above storm in the Pacific northwest should on these dates move down into central California, during which period we should see some decidedly unsettled weather.

July 11, 12, 13—Should see the passing of the storm to the eastward, with the weather still unsettled in the northwest, but bringing in the sunshine again to northern and central California.

July 14, 15, 16—Mark the entrance to another now over British Columbia, but which will pass rapidly to the eastward and not disturb America's playground, California.

July 17, 18—Cooling winds should spring up over central and northern California, and thus temper our midsummer heats. Washington will probably be somewhat disturbed on these dates by occasional thunderstorms.

July 19, 20, 21, 22—As in the preceding month of June we should see one these dates a recurrence of the intense heat that disturbed the coast, especially those parts not tempered by the cooling presence of the ocean. Washington and Oregon should not be excepted from this heat wave.

July 23, 24, 25—Beginning to cool off again and return to normal, with grateful winds over California generally and probable cloudiness over the Pacific northwest and British Columbia.

July 26, 27, 28—Weather still delightful throughout California with probable cloudiness over Washington generally.

July 29, 30, 31—Beautiful summer days with cool nights along the coast from Vancouver to San Diego and from the shores of the ocean eastward and far inland over our valleys and mountains.

B. N. CLARK OF PALO ALTO, HIGH SCHOOL ARCHITECT

B. N. Clark, of Palo Alto, has been selected as the architect to draw up plans and specifications for the new \$40,000 gymnasium to be erected at the Washington Union High school this summer.

These plans will have to be submitted to Mr. Hill of the State Board of Education for an O. K. since the township is not an incorporated district.

As soon as plans are O. K'd, a contractor will be selected and construction will be started immediately.

ROAD SIGNS

Reports on some of the popular week-end-trip roads will be of interest to those planning vacations for the Fourth of July:

Mt. Hamilton Road

The road up Mt. Hamilton is in excellent condition at the present time, according to a report received from the San Jose office of the Automobile Club. The telescope is open to the public on Saturday evenings between sunset and ten o'clock. Best observations of the moon will be enjoyed during the period of "first quarter."

Redwood Highway

The Redwood highway is in excellent condition at the present time, excepting a few short sections of repair work noted five miles south of Ukiah, oiling between Laytonville and Twin Rock, at Lane's Flat, some loose gravel and oil and a short stretch of rough construction north of Ben Bow.

High Sierra Roads

All-year road to Yosemite, splendid. Wawona road is good. Big

Oak Flat road requires chains. Tioga Pass road temporarily closed reported June 17, but should be open now. Motorists should remember all high Sierra roads are subject to sudden change and should obtain current report.

Fishing
 Good fishing now available at Lake Mary, in Mono county. Days warm but nights quite cold. Trout plentiful. Fishermen packing into Horse Meadows, Manter, Rattlesnake and Trout creeks, north of Fairview-on-Kern, will be assured of good fishing. Kern river is low and clear.

Published Every Thursday

Entered as second class matter at the postoffice at Niles, California, under Act of Congress March 3, 1879.

Determined a Newspaper of General Circulation by decree of the Superior Court (Department 6), of Alameda County, California.

Subscription price, \$2.00 per year.

Welfare Department Postponed to July 11

The regular meeting of the Children's Department of the Southern Alameda County Welfare Board will be held July 11, at 10 a. m., at the Niles library instead of on the Fourth which is the regular meeting day.

Special reports on the National Social Workers' conference now in session at San Francisco will be given and all members are urged to be present.

Help Select State Bird for California

Vacation time might be spent profitably in helping to decide upon the selection of a state bird for California. The Audubon Association of the Pacific, of which Bert Harwell, 2626 Haste street, Berkeley, is president, is conducting the campaign.

Any group or individuals who wish voting blanks may communicate with Mr. Harwell.

Pacific highway being paved from Shasta river bridge north of Weed to Gazelle.

In Niles. They will make their home in San Francisco.

LEGION MEN TEST MOBILIZATION ONCE MORE

Local Legionnaires are expecting another mobilization sometime between July 1 and July 7, day and hour not to be announced. At the call of the siren, however, every Legion man is supposed to report at the Niles, Centerville or Newark firehalls at the soonest possible moment. This is a part of the national mobilization to test the availability of legion men in case of national disaster.

Cups are to be given to posts making the best record. Ray Peterson is to give the signal in Niles and Commander John Dutra has appointed other chairmen in Newark and Centerville.

VACATION NEEDS AVAILABLE AT GREAT SAVINGS

Thousands of autoists are responding to the call of greater savings on timely vacation necessities offered by the mid-season sale now in progress at the more than 150 Western Auto Supply Company stores.

"From Western Giant and Wearwell tires to camping supplies and auto accessories, there are reductions which will appeal to the car owner who is preparing for summer trips. This sale includes merchandise selected from all sections of our stores and camping specials listed are chosen from the most complete line of camping goods in the West.

"Camping equipment and tires are exceptionally popular at this season of the year and vacation trips will be made more enjoyable if an investment is made now in the various articles designed for camp comfort and convenience. Items selected for this sale event are all taken from the regular Western Auto stocks and are backed by our guarantee of satisfaction and service and our popular "Customer is Always Right" policy.

"Our trade-in allowance offer makes the sale prices on tires still lower, as customers are invited to trade in old tires as part payment on new, fully guaranteed Western Giant and Wearwell tires."

North Sacramento—Flying Boots Cafe opened in remodeled quarters on Del Paso boulevard.

MRS. RICHMOND ENTERTAINS 12 WITH LUNCHEON

Mrs. Ralph Richmond entertained twelve friends at luncheon last Thursday for the benefit of the Ladies' Guild of the Niles Congregational church.

Following luncheon cards were enjoyed, prizes going to Mrs. Fred Trask, high; Mrs. Frank McGowan, second, and Mrs. W. B. Kirk, low.

Personal Mention.

Mrs. John Adams, who has been confined to her bed for the past week, is improving.

Mr. and Mrs. J. L. Bunker and family will not leave Niles for their new home in Oakland until the last of July.

Mr. and Mrs. J. W. Greenwood have been visiting in San Francisco this week, expecting to return Friday.

Mr. and Mrs. O. E. Walpert attended the new Fox Theater in San Francisco Saturday evening. Gift flowers which were arranged in the lobby and entrance halls were gorgeous.

Mrs. George Bonde is entertaining her little nephew from San Francisco.

Leona Solon has been visiting in San Francisco for two weeks and Robert has been visiting in Oakland during that time.

Mr. and Mrs. Leon Solon and Mr. and Mrs. A. M. Alves and families will spend the Fourth of July at Angels' Camp above Stockton.

Robert Tyson, juvenile probation officer of Alameda county, attended the recent Social Workers' conference in San Francisco.

Mrs. R. W. McCord, executive secretary of the Southern Alameda County Welfare Board, called in Niles Sunday.

Mrs. Norman Parks and Mrs. Alma Inman Parker attended the performance of "The Strange Interlude" at the Oakland Auditorium theater Monday.

Mr. and Mrs. Robert Bonner and family visited the J. C. Shinn family Sunday.

Clem Donovan spent the week-end visiting friends in Sausalito.

Mr. and Mrs. L. C. Dickie, of Fresno, arrived Sunday to spend a few days with Mrs. Dickie's sister, Mrs. Fern Mitte.

Miss Catherine Winn, of Modesto, is visiting Miss Dorothy Barnum.

Ralph Walsh, of Oakland, was a business visitor in Niles last Thursday.

Order an Extension Telephone Today

Just as you appreciate electric lights in more than one room in the house, so you would appreciate an extension telephone. Its cost is only a few cents a day; its convenience is great, and sometimes it is even a factor in guarding the safety of your household, day or night.

The cost is very small. Just call our Business Office and say "I want an extension telephone."

Men like hotels and clubs because they get INSTANT hot water

Every thoughtful wife can have automatic hot water service at home. Then it is easier to keep things sweet and fragrant. Each week you can have 4 to 6 hours more time for motoring, shopping or outdoor sports.

There is no need of watching the automatic gas water heater. You can have hot water day and night. It costs less than one-fifth of a cent per gallon—the lowest cost of any method for heating water in the home.

Details on replacing your old water heater with a new automatic gas water heater can be obtained at a dealer's store or by calling at our local office.

Seventy Graduates This Year Set Record For Local School

Graduates of Washington Union High School who received their diplomas this month set a record for the school, seventy boys and girls successfully completing the four-year course. Many of them have already made arrangements to enter University of California, San Jose State College or business colleges.

Louis Ruschin is the only student from this class who has been accepted by Stanford.

Mervyn Blacow, valedictorian, Orville Blose and Jack Bunker will enter University of California, and about sixteen took examinations for entrance to San Jose State.

Seventy graduates this year exceed last year's class by nearly thirty, demonstrating the rapid growth of this institution even in one year.

A minimum enrollment of 500 is expected next term.

Seniors of 1929 who have worked faithfully in adding funds to the Student Body treasury for purchase of new stage curtain and other equipment, unfortunately, will be deprived of the advantages of the new gymnasium which is to be built this summer.

This addition to the school will cost approximately \$45,000 and will be fully equipped. Four classrooms are also included in this addition.

A deplorable lack of accommodations was noted at the commencement exercises this year, hundreds of parents and interested friends being turned away because there was not even standing room in the auditorium. By means of removable stage and seats in addition to bleachers in the new gymnasium, seating capacity is expected to be adequate for a few years anyway.

In view of the fact that Washington Township offers one of the most attractive locations in the whole state for homes, ranches or manufactories, and the certainty that new residents will be coming into the eight communities which feed the high school, still further enlargements to this institution may be expected in the next few years.

The Newark Register

By LAURA DUTRA

Miss Laura Dutra and Lillian Bettencourt will celebrate the Fourth of July in Santa Cruz.

The Newark Baseball club defeated Mission San Jose Sunday in their first game of the season, by a score of 19 to 5.

Mrs. J. E. Dutra is attending a summer session of the State Teachers College at Santa Cruz and will be there for three weeks. Her mother-in-law, Mrs. John Dutra, is also accompanying her.

J. E. Pashote will leave soon for Vancouver where he will attend a Western States Fire Chiefs' convention.

"Bud" Ruschin is attending a scout mobilization reunion in the north. He is now a scout instructor and is expected home soon from where he will leave to go to a hospital to have his tonsils removed.

FRIENDS GIVE SURPRISE PARTY FOR DE QUADROS

A number of class mates and high school students gave a surprise party in honor of Leland de Quadros birthday, last Thursday evening in the Peninsula Club House. The evening was devoted to games and dancing. At midnight a birthday supper was served. The whole affair was a success as well as a complete surprise to the host.

The patrons and patronesses were Mr. and Mrs. de Quadros and Mr. and Mrs. Joe Peixotto. The guests included were: Misses Laura Peixotto, Doris Destrella, Frances Habenicht, Florinda Furado, Edith Oliveria, Mary Damas, Edith Goulart, Irene Laskey, Marjorie Martin, Bernice Peixotto and Bert Silveira, Laverne Silva, Thomas Silva, Jr., Albert Leonardo, John Dutra, Clarence Dutra,

Anthony Bettencourt, Alvin Martin, Syd Lawlor and Roy Secada.

Mr. and Mrs. Arthur Biddle will leave for a two weeks' camping trip Monday. They will camp near Calpine.

Mrs. S. C. Bettencourt and daughter, of Hanford, are visiting Mrs. Antone Dutra for a month.

Mrs. Lloyd Wales and two children are away on a vacation.

The Newark Baseball club will play the Santa Cruz team tomorrow at Santa Cruz. A large number from Newark will accompany the home-town team.

George Butler recently arrived from the east and is now making plans to open an up-to-date restaurant in Newark.

John Marshall and family leave Monday for a two weeks' trip to southern California where they will visit in Los Angeles.

JOHN KIMBER MEETS FRIENDS AT MODESTO

John Kimber is leading a double life—and getting away with it! He knows his chickens. Two kinds, only he is far too dignified to refer to the lady members of his orchestras and bands by that title. Anyway, what we are trying to say is that Mr. Kimber has the rare faculty of being able to carry on a progressive and successful musical program for the Washington Township school and at the same time supervise and do much of the actual work on one of Niles' most up-to-date and scientific poultry breeding farms.

He has just returned from a four days' visit in Modesto where he made two contracts which were of inestimable value and inspiration to him in his two contrasting lines of work. He visited with Frank Mancini, director of the Modesto high school band, a group of young musicians who have three times been state champions and placed second in the national high school band contest held recently at Denver.

Judging from reports of the local township's progress in music, Mr. Mancini stated that he thought splendid work was being done and the results are all that could be hoped for in the short length of time musical instruction has been available.

Another friend Mr. Kimber found

Freeland Tractor & Equipment Company of Riverside established in new building specially designed for sale and service of tractors.

Electric troubles are a source of endless annoyance to the touring motorist. Therefore start with an electrical system completely overhauled. The storage battery should be fully charged and filled with distilled water, while the terminals must be clean and tight. Since it is sometimes difficult to get fuses on the road, spare bulbs and extra fuses should be carried in the car.

New Bill Authorizes State To Inspect Calaveras Dam

Whether Calaveras Dam is safe or not will now be known, due to Senate Bill No. 723, just signed by Governor C. C. Young, which provides for centralized state supervision and control through the State Engineer of the design, construction and maintenance of all dams in California over fifteen feet in height. No agency, except the United States government is excluded from this control.

Several months ago considerable excitement was started in Niles on an intimation that the Calaveras mud dam was cracking and threatened the peace and safety of the residents of this town. Grave fears were expressed as to results of winter rains. Inasmuch as it was not state property, the state engineer was not in a position to conduct an investigation.

Passage of the bill, however, carries an appropriation of \$200,000 to make a study of over five hundred dams now in California over the minimum height provided in the bill. If these structures are found to be faulty in any particular, it empowers the State Engineer to require such change to be made as in his opinion will assure their safety. The cost of state control of future dam construction and maintenance will be defrayed from fees and tolls upon the structures.

"This bill provides for a centralized state supervision over dams in California, both as to their design, construction and maintenance. In the past an unsatisfactory condition has existed due to the fact that such supervision as was exercised was divided among several state and federal officials and was not thorough or complete. Some agencies, empowered to construct dams were without any supervision whatsoever, and such supervision as was exercised was inadequate and did not protect the public.

"The present bill concentrates authority in one office, that of the State Engineer, who is given authority to do all things neces-

"No motor repairs at all"
—Alameda motorist reports

Perry C. Marshall, well-known Alameda resident, has used Cycol for over fourteen months.
"I consulted my dealer at Webster and Taylor Streets in Alameda, where I buy my gas and oil," says Mr. Marshall, "and was informed that Cycol Heavy would not only eliminate most of the noise in the motor, but prolong

the life and reduce repair bills as well.
"My car has had no repairs of any kind to the motor and I attribute this to the wonderful quality of your Cycol Motor Oil," he concludes.
Be sure of correct lubrication and economical operation in your

own car. Drive in at the red, green and cream station or garage and fill up with Cycol Motor Oil. No motor oil deposits less carbon than Cycol. It has amazing stability, maximum lubrication value.
Enjoy finest motor performance with Cycol, the motor oil of "Endurance Beyond Belief."

Citizens' Water Company of
Niles Has Changed Its Name"MARY DUGAN TRIAL"
COMING TO NILESTWO SHOWS ON FOURTH OF
JULY FEATURING "HIGH
VOLTAGE"

"The Trial of Mary Dugan," a play that has thrilled bay city theater goers several times this season, both on the legitimate stage and on the screen, will be available for local residents Sunday, Monday and Tuesday. Norma Shearer, Lewis Stone and H. B. Warner, three popular stars, are in the lead parts, the picture being an all-talking feature. Vitaphone acts will be included in the program.

Saturday, Buzz Barton will play in "The Freckle Rascal."

This evening and Thursday, William Boyd appears in "High Voltage," another all-talking picture.

On the Fourth of July there will be two shows, one at 6:15 p. m. and the second at 8:15 p. m.

BABY HOSPITAL
HAS LAST MEET
DURING SUMMER

Toyon Branch of the Baby Hospital held its last meeting for the season at the home of the chairman, Mrs. James R. Whipple, last Wednesday afternoon.

Dr. Anne Martin, chief of the clinics of the Baby Hospital, told of the various departments of the hospital, how the sliding scale of rates operated, the social service department, etc.

"The chief value of the Baby Hospital," said Dr. Martin, "lies in the fact that some of the best doctors of the state are concentrating on baby care and baby treatment. The advance in knowledge will be of benefit to every mother of young children."

Visitors present were: Mrs. Norman Parks, Miss Millicent Shinn, Miss Martha Sanford, Mrs. A. W. Seebart, and Mrs. Overacker.

Following the program, tea was served by the hostess, assisted by the officers.

Dr. and Mrs. Adams
Are Expecting Guests

Mr. and Mrs. Graham Adams, of San Francisco, will spend Sunday in Niles with Dr. and Mrs. John Adams. Mr. Adams will celebrate his birthday. Accompanying them from the city will be Miss Erna Syferd, of Portland, sister of Mrs. Adams, Jr., who has been visiting in the city.

MORE ON
REV. SEEBART GOES

(Continued from Page One)

live at the close of Sunday, August 18.

Mr. Seebart has been in Niles for three years, during that time making several innovations in the program of the Sunday School and church, featuring which are the family night suppers held monthly at the church and the Vacation Church School, the second of which is now in session. A Beginners' Department in the Sunday School has also been organized during Mr. Seebart's pastorate.

Mr. and Mrs. Seebart and children have made many warm friends in the community who will regret to see them leave but who will be glad that they are going to a larger and more satisfactory field.

HAYWARD

Business Phone Res. Phone
HAY. 105 HAY. 157WBecomes Public Utilities
Corporation Of
California

The W. B. Foshay company, which recently purchased the Citizens' Water company, has changed the name of the local company to Public Utilities Corporation of California, according to announcement by Manager G. F. Glassbrook.

The Foshay company was organized in 1917 by Wilbur B. Foshay for the purpose of financing public utilities and industries and selling the securities of both. During the first year, properties were acquired in South Dakota, Nebraska, Kansas and Minnesota. By 1925 some \$10,000,000 worth of properties had been acquired.

The present utilities properties under Foshay management extend from Alaska to Central America. These properties are in many states of the union and in Canada, Mexico, Alaska and Nicaragua.

They supply electricity, gas, water and telephone service to growing communities. Half the gross earnings of Public Utilities Consolidated Corporation are earned by the electric properties, twelve per cent from water properties, seven per cent from artificial gas properties, five per cent from telephone properties, 15 per cent from ice and cold storage properties and 11 per cent from other miscellaneous sources.

During the eleven years of the Foshay company's existence more than 100 companies have been financed. Eleven years ago the W. B. Foshay company was in business in a small office in Minneapolis. The only employee was one stenographer. As the company grew, it was necessary to move from one office building to another in order to secure more space. The number of employees is now approximately 220 in the Twin Cities.

In planning these building operations, Mr. Foshay followed an idea which he had cherished for many years—the erection of a building for which the Washington Monument was the inspiration, and the Foshay Tower, now nearing completion rises thirty-two stories from the street making Mr. Foshay's dream a reality. Gleaming white in the sunlight in the daytime, and floodlighted at night, the Foshay Tower will be the most striking building in the Twin Cities. Because of its unusual design, it has received national attention from the press. It is a world project. There is no other building like it.

FRIENDLY CLUB
ADJOURNS TILL
AFTER VACATION

Due to the illness and absence of several members of the Friendly Club, the meeting scheduled to be held at the home of Mrs. J. L. Bunker last Thursday afternoon was cancelled.

As the chairman, Mrs. P. A. Ellis, is ill and a number of the members are out of town, no more meetings will be held until August, according to Mrs. Bob Tyson, secretary-treasurer.

Weekly Chats With
Lovers of Books

Those wishing to do some worthwhile reading this summer will find the following helpful. Teachers and others registered for the University of California summer session in Berkeley, July 1, to August 10, will be given an opportunity to hear the lecture reviews of some eight recent novels under the direction of Dr. Henry Neuman, lecturer in education at the Brooklyn Society for Ethical Culture, who is coming west to offer two courses in education.

The books which Dr. Neuman has tentatively selected for his lectures are: Lynd's "Middletown," Rolvaag's "Giants in the Earth," and "Peder Victorious," Beard's "Whither Mankind," Zweig's "The Case of Sergeant Grischka," Boas's "Cotton Mather," Mussolini's "Autobiography," and perhaps a repetition of Wilder's "The Bridge of San Luis Rey."

Dr. Neuman introduced his plan of reviewing and discussing
